

Sample Collaborative Task Statements

How do we create go-forward financial arrangements that allow Jill to pursue a career of her choosing, and Bill to pull back to spend more time with the children?

OR

How do we structure support to allow Jill and Jack to each pursue own career choices without adversely impacting the other?

OR

How do we structure support to meet realistic needs for both households, allow both parents to be involved with the children and create financial autonomy and certainty for Jill and Jack?

OR

How do we structure workable parenting arrangements so that the children have a strong relationship and involvement with both parents, that Jake's academic success is supported by both parents and that both children feel that their parents will be 'o.k.' ?
